A group aiming to stop Wal-Mart from setting up shop in Ventura began their drive to collect signatures to get the initiative on an upcoming ballot.

The town hall meeting was held March 3 at IBEW Hall at 3994 E. Main St. in Ventura.

“People who have a history of beating Wal-Mart ... say the community must rally around the cause for it to be successful. We will now be taking this directly to the voters,” reads the Stop Wal-Mart Coalition announcement of Monday’s meeting.
